Thank you very much to everyone that came along to the event. I hope you all enjoyed the courses and the carefully arranged weather! I now have a suntanned face in March almost unbelievable!

Thanks also to Fiach, Nicole and Ursula for helping set up the event this morning and to everyone that collected the controls in, it was a great help.

Hope to see some of you again at the next Eryri event at Bryn Gefeiliau, nr Betws, on 26th April

Anyone that handed in their map and wants a copy of their course get in touch with me at cleverclogs83@hotmail.com
