Controllers Comments:

Thank you all for coming to the first of our Summer Evening Events. It was good to see many new faces as well as some who we've not seen for a while.

These events are an opportunity for new people to plan and organise and to create a friendly atmosphere that will encourage new families to join us.

It was very good to have Sue and Felicity planning their first event. All your positive and negative feed back was taken on board, but don't forget we've all put controls in the wrong place at some time!

Many thanks to both of you and well done!

Apologies for the map being at the wrong scale, we're not sure what went wrong there, Those of you who have orienteered at the Faenol before should have realised this straight away.

Next event will be at Graig Fawr, Prestatyn, next Thursday evening.

If anyone can give Fiach a lift from Bangor to the event please contact him on: 07517482087 or he can catch a train to any station along the N. Wales coast to meet you.
